APC Support

Article Publishing Charges /Article Processing Charges (APC) is one of the components of the ONOS scheme. APCs for selected good quality open access journals will be centrally funded through the executing agency for ONOS. As decided by the Core Committee, ONOS, fully open access journals which are in top 1% as per any of the 3 indicators: CiteScore, SNIP or SJR published by SCOPUS are eligible for payment of APC from ONOS. The Open Access journals can be either from the 30 publishers providing access to their published journals in ONOS or other publishers.
